

Making Kids Smile Panther Style!

Riley Hospital for Children

Bloomington South's fundraiser benefiting the Riley Hospital for Children.

Riley Hospital for Children is Indiana's [only comprehensive children's hospital](#), with pediatric specialists in every field of medicine and surgery. Riley is committed to providing the highest quality health care to children in a compassionate, family-centered environment. Riley is a national leader in cutting edge research and medical education, ensuring health care excellence for children for generations to come.

Riley Hospital...

- Treats all patients, regardless of their family's financial standing
- Is the only hospital in Indiana exclusively for children
- Has 262 beds and is one of the fifteen largest hospitals in the nation. It has more care- beds than any other children's hospital in the nation
- Serves over 150,000 patients a year
- Opened in 1924
- Is home to the first pediatric cardiopulmonary diagnostic center in the United States
- Treats 80 to 90 percent of all Hoosier children with cancer, offering Indiana's only pediatric stem cell transplant program
- Houses the only pediatric burn center and pediatric dialysis center in the state
- Is supported by the second largest Ronald McDonald house in the world
